OUR AIM:

To facilitate a lifestyle of dedication to God by living in Christian community, while learning to live in the secular environment and by consciously reaching out to the world around us.

- We aim to provide a safe place where students will continue to be discipled and have their character developed within a Christian community. Students will also be able to learn how to live and make a difference outside of Hatfield Community.
- We would like to emphasize that Hatfield Community is not aimed at simply providing accommodation but is aimed at making an impact on students' lives. All students will be expected to follow the community rules and to participate in all essential activities, in order to be an asset to the greater community.

GENERAL COMMUNITY ACTIVITIES:

- Participate in weekly small group meetings (cells) where openness and accountability are encouraged.
- Regularly attend church and participate in church life.
- Be part of the community living and attend most meals.
- Actively take part in assigned house responsibilities.
- The key concept during the year is that students will be required to adopt a **“rhythm of life”**. A rhythm of life is a predetermined lifestyle that one agrees to live by / adopt in order to achieve a certain end, and will be based on the current values and operational principles employed by the Hatfield Training Centre.

“We speak our words of praise in a world that is hellish; we sing our songs of victory in a world where things get messy. We live our joy among people who neither understand nor encourage us. But the content of our lives is God, not man. We are not scavenging in the dark alleys of the world, poking in its rubbish bins for a bare sustenance. We are travelling in the light, towards God who is rich in mercy and strong to save. It is Christ, not culture that defines our lives. It is the help we experience, not the hazards we risk, that shape our days.”
